Component Mission

The Office of the Director of National Intelligence (ODNI) Deputy Director of Mission Integration (MI) serves as the Director of National Intelligence's (DNI) senior leader for intelligence integration across the IC enterprise. MI is responsible for ensuring customer outcomes by leading advances in collection and analysis that ensure the quality, timeliness, and utility of insights for the nation's decision-makers. Additionally, MI is responsible for increasing expertise and improving tradecraft at all levels through specialization, integration, and collaboration. MI is responsible for the strategic vision, direction, and planning to deliver a more integrated IC reflecting the collective wisdom of our collection and analytic components to advance, in support of the National Intelligence Managers, the Unifying Intelligence Strategies (UIS).

Major Duties and Responsibilities (MDRs)

Lead, initiate, cultivate, and maintain productive working relationships with senior policymakers across the IC in order to coordinate strategy development activities and evolving requirements and promote the implementation of mission and enterprise objectives.

Provide expert guidance and leadership to multiple teams in the production of well-crafted analytic products relating to election security and foreign malign influence in support of ODNI's malign influence posture.

Develop and maintain working relationships with senior ODNI officials and, as necessary, principals throughout the intelligence and policy communities; identify issues and developments with internal and external peers, communicating regularly to exchange subject information.

Develop and sustain a professional network with IC analysts, analytic managers, and collection managers on election security and foreign malign influence issues.

Plan, prepare, and present written and oral briefings to senior internal and external customers on significant intelligence issues; explain complex concepts to non-expert customers and tailor the product to correspond to customer needs.

Mandatory and Educational Requirements

Superior ability to effectively plan and lead the development of high-quality, complex analytic products, summaries, and briefings on key US foreign policy and national security objectives focused on election security and foreign malign influence.

Expert knowledge of political, cultural, social, historical, economic, military and diplomatic traits and behaviors related to election security and foreign malign influence.

Extensive knowledge of IC organizations; IC mission posture, structures, capabilities, processes, and policy development.

Expert analytic and critical thinking skills, including superior to think strategically; superior ability to effectively express complex, multi-discipline ideas and insights verbally and in writing to a variety of audiences up to and including senior leadership.

Expert knowledge of IC policy and procedures, as well as an expert ability to maintain and develop contacts within ODNI and the intelligence and policy communities for the purposes of exchanging information.
